Three vocal microphones	Needed
Cajon microphone (percussion)	Needed
Violin microphone	Owned (phantom power)
Headset (vocals & flutes)	Owned (phantom power)
Guitar amplifier	Needed
Bodhràn microphone	Owned (phantom power)

Extra info

We bring three own microphones (violin, flute/vocals, bodhràn), they all need phantom power. The vocalists alternate between lead singing, sometimes even within a song. They often sing in harmony as well. This will all be clarified per song on the setlist for the sound technician. The piano is electrical.

N.B. ideally the guitar is amplified using a DI box, but a regular amplifier is also possible if no DI is available.
